Carnival Corporation & plc works, collaborates and partners with a variety of organizations worldwide. The goals of these partnerships vary depending on the type of organization. Our work with these organizations contributes to and broadens our thinking around our sustainability issues and opportunities. Below is a list of some of these collaborations.

**Catalyst**
Catalyst is the leading nonprofit organization with a mission to expand opportunities for women and business. Catalyst is dedicated to creating more inclusive workplaces where employees representing every dimension of diversity can thrive. It acts as a catalyst through its research, tools and services, events and awards. Together, its offerings raise awareness of how diversity benefits today’s global businesses, and provide guidance on how to enact real change.

**Create Common Good**
Create Common Good is a nonprofit social enterprise that uses innovative food-related job training programs to help at-risk people find, perform and retain work to attain self-sufficiency for them and their families. The two organizations explore opportunities to introduce custom-crafted Create Common Good food products into shipboard menus.

**Cruise Lines International Association (CLIA)**
CLIA exists to promote all measures that foster a safe, secure and healthy cruise ship environment; educate and train its travel agent members; and promote and explain the value, desirability and affordability of the cruise vacation experience. CLIA has Environmental and Safety Committees, composed of representatives from most cruise lines, who meet regularly with stakeholder groups such as the Port State Authorities and regulators to discuss issues related to compliance and best management practices. CLIA also works with non-governmental organizations (NGOs), universities, regulators and scientists around the globe.

**Florida Caribbean Cruise Association (FCCA)**
The FCCA is a not-for-profit trade organization composed of 15 member cruise lines operating more than 100 vessels in the waters of Florida, the Caribbean and Latin America. By fostering an understanding of the cruise industry and its operating practices, the FCCA seeks to build cooperative relationships with its partner destinations and to develop productive bilateral partnerships with every sector.

**International Chamber of Shipping (ICS)/International Shipping Federation (ISF)**
ICS is the principal international trade association for the shipping industry, representing all sectors and trades. It is concerned with all technical, legal and policy issues that may have an impact on international shipping. ISF is the principal international employers’ organization for the shipping industry, representing all sectors and trades. It is concerned with labor affairs, manpower and training, and seafarers’ health and welfare issues that may have an impact on international shipping.

**Edge4Vets**
Edge4Vets helps veterans translate their strengths from the military into tools for civilian success. Veterans get support from business mentors who help them identify strengths they developed in the military and apply their strengths for success in school, work and life.

**European Community Shipowners’ Associations (ECSA)**
ECSA is composed of the national shipowners’ associations of the EU and Norway. ECSA works through a permanent Secretariat in Brussels and a Board of Directors, as well as a number of specialized committees. Its aim is to promote the interests of European shipping so that the industry can best serve European and international trade and commerce in a competitive free enterprise environment to the benefit of shippers and consumers.
